GOVERNOR

August 4, 2012

Dear Friends:

It is a pleasure to send greetings to everyone gathered for the Bronx Children's Museum's Dream Big Celebration Concert.

For the third summer, the Dream Big Initiative empowers Bronx children to set out on the path to achievement and success. This year's Dream Big program once again highlights the importance of healthy lifestyles, promoting smart nutrition and physical activity as building blocks for a stronger, better future for our children.

I am pleased to join in recognizing this year's honoree, Bobby Sanabria, whose career journey and accomplishments continue to make him an important inspiration for countless children in the Bronx community and beyond.

On behalf of all New Yorkers, I applaud the Bronx Children's Museum and everyone affiliated with this year's Dream Big Initiative for your extraordinary commitment to improving the futures of our children.

With warmest regards and best wishes for a wonderful event.

Sincerely,

A handwritten signature in blue ink, appearing to read "Andrew M. Cuomo", written over a horizontal line.
