GOVERNOR

July 25, 2014

Dear Friends:

It is a pleasure to send greetings to everyone gathered at the Bronx Children's Museum for the annual Dream Big Celebration Day.

This event is wonderful way to showcase the power and potential of our children by inspiring, motivating, and encouraging them to follow a path toward future achievement. This year's Dream Big arts enrichment program highlights the theme, "Creating Bridges," and reminds us of the importance of teaching children to build friendships and connect with others, so as to enhance their appreciation for our diverse world.

On behalf of all New Yorkers, I applaud the Bronx Children's Museum and everyone affiliated with this year's Dream Big Initiative for your extraordinary commitment to our children and for providing them with a strong foundation for future success and achievement.

Warmest regards and best wishes for a terrific event.

Sincerely,

A handwritten signature in blue ink, appearing to read "Andrew M. Cuomo".
