

# GreenArts Afterschool Program

at C.S. 55: The Benjamin Franklin School

## FINAL CELEBRATION

**Tuesday, June 14th, 2022, 3:00 PM!**

Featuring SCAN Students at C.S. 55:  
The Benjamin Franklin School and  
Teaching Artist Luss Nigaglioni

The Greenarts Virtual After-School program is a music program that explores music and healthy living. Students were taught about exercise, healthy eating habits, and explored the process of music production. The students have also learned and practiced how to perform with percussive instruments like the clave and shakers.

**At this year's ending celebration, SCAN students will premier their completely original musical composition created in collaboration with Teaching Artist Luss Nigaglioni, as well as showcase their newfound performance skills.**

### JOIN US!

At our virtual ending celebration, SCAN students will perform a piece of music they have composed under the guidance Teaching Artist Luss Nigaglioni, as well as speak about what they learned about the natural world around the Bronx.
