ANDREW M. CUOMO
GOVERNOR

July 17, 2013

Dear Friends:

It is a pleasure to send greetings to everyone gathered for the Bronx Children's Museum's Dream Big Celebration.

For the fourth summer, the Dream Big Initiative empowers Bronx children to set out on the path to achievement and success. This year's Dream Big program highlights the beauty and importance of our environment, including the Bronx River – one of our city and state's many unique natural assets and a terrific setting for education and exploration.

On behalf of all New Yorkers, I applaud the Bronx Children's Museum and everyone affiliated with this year's Dream Big Initiative for your extraordinary commitment to enriching the lives of our children and providing them with a strong foundation for future success and achievement.

With warmest regards and best wishes for a wonderful event.

Sincerely,

A handwritten signature in blue ink, appearing to read "Andrew M. Cuomo".
