Featuring Students at P.S. 5 Port Morris School of Community Leadership

The Bronx Children's Museum is pleased to present our Dream Big Virtual Program at P.S. 5 for the seventh year. This will be a dance program that explores the life of local Bronx musicians such as Dr. Valerie Capers and Bobby Sanabria and the origins of Afro Latin dance. Students will study traditional and contemporary African and Latin American music and dances.

The students will gain a better understanding of their own cultural heritage and the cultures of their classmates though the exploration of dance and music!

JOIN US!

At this year's ending celebration, students will display the dance skills that they gained under the tutelage of Teaching artist, Yvette Martinez! The students will also share what they learned about the culture and history of Afro-Latin Jazz.
