Dear Students:

It is a great pleasure to welcome you to the Bronx Children's Museum's Dream Big For Our Rivers Environmental Day!

It is important for all New Yorkers to be responsible and attentive to our environment, and I am delighted that you have taken time this summer to learn about the Bronx River ecosystem and explore its habitat. Dream Big is a terrific chance to be creative, find your passions, and discover ways that you can help make our city better than ever. I hope you continue to visit the Bronx Children's Museum and participate in its exciting programs, and I look forward to all of you going on to accomplish great things as you continue to grow and learn.

On behalf of the City of New York, I offer my best wishes for a fun and memorable day. Study hard, dream big, and keep up the great work!

Sincerely,
